

ILLINOIS LIQUOR CONTROL COMMISSION

The Illinois Liquor Control Commission is encouraging all special event and special use permit applicants to apply online via **MyTax Illinois**. To avoid the \$25 late fee for late applications, we strongly encourage you to submit your application 14 days in advance.

Once you have received local approval for your special event and your certificate of insurance for your upcoming special event, you then need to log into your MyTax Illinois account at mytax.illinois.gov.

If you have questions about creating a MyTax Illinois login or have trouble logging in, please contact Rev.MyTaxHelp@illinois.gov or call 1 800 732-8866.

Once you are logged in, you will be required to enter information in the required fields, and you will be asked to upload a copy of your local approval along with the certificate of insurance. Once those documents are uploaded, you will be prompted to tender payment and submit your request.

You can find the step-by-step instructions on our website www2.illinois.gov/ilcc

If you have questions about the online application process, or if you have trouble submitting your online application, please contact LCC.Licensing@illinois.gov or you can call the Illinois Liquor Control Commission office at 312-814-2206 or 217-782-2136 for additional assistance.

Once your request is submitted, the review process can take approximately 1-3 business days. You can check the status of your application via your MyTax Illinois account. All correspondences, including your newly issued liquor license certificate for your event, can be found in the Letters and Message section.

You can find the step-by-step instructions on our website www2.illinois.gov/ilcc
